## SOME BOYS SAY HE'S BOSS

By GEORGE PEABODY III  
16104-D S. Harvard Blvd.

Some of the boys would say he's "boss," which in their language means great, good, terrific.

There are others who say he's fun on camp-outs, or a ball on hikes, strict at meetings.

The parents say he's dependable, reliable, good for the boys and creates competition.

For myself, I work with him as his assistant, and am proud of it.

His name is Garland Patterson, better known to the boys as Pat. He is the Scoutmaster of Troop 211 in Torrance, and he's proud of that.

Pat's different than most people I know, he does more for others than he does for himself.

Beside being my Scoutmaster, he's a member of the Order of the Arrow, works with an Explorer group, is the chief of an In-

### MAN-MADE RUBBER

A new type of man-made rubber is said to be the only one in the cis-polybutadiene "family" that can be used without combining or blending it with other rubbers. It is named Ameripol CB.

### SINCERITY

Profound sincerity is the only basis of talent as of character.

## Shrub Care Session Held At YWCA

YW-Wives Club, of the Torrance YWCA, members and their guests are going to learn about "Annual-Perennials-Shrubs for Lots of Color for This Area," when Joe Littlefield, popular garden lecturer-consultant writer shows colorful slides of these plants and explains their culture care requirements. He'll also answer landscape and garden problems.

This meeting takes place Tuesday, March 19, at 10:15 a.m. in the YWCA building, 2320 W. Carson St., Torrance.

Women interested in this program can call the YWCA for additional information, FA 0-2255. Besides this program there will be the regular schedule of exercise, interpretive dancing, volley ball and bridge, which is

dian Dance Team and is very active in his church. It may sound corny, but he's a fine Scout.

What is a Scout? The Scout law answers that question.

For those who have forgotten, "A Scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean and reverent."

That's a lot for any man to live up to. Stop and think. Most parents have one or two boys to stay that one important step ahead of, Pat has any where from 15 to 30 of them, all different in their ways, means, and curiosity.

Pat has to keep that happy medium of being strict and lenient, disciplinarian and funster.

Plus that he has to be young at heart to be able to work with and be respected by the boys and level-headed so the parents will trust, help and take part in their sons "scouting activities."

But then, tell me, who has the most fun on Scout trips — the boys or their fathers?

This is Pat Patterson, my Scoutmaster and one who I believe deserves credit for being what he is.

I am proud of him.

## Upstarts Debut At Mariner Hotel

One of the brightest entertainment groups in the west opened a two week engagement at the Mariner Motor Hotel this week to polish a new act preparatory to a tour that starts in April in New Orleans and takes them into Las Vegas and Tahoe this summer.

The Mariner Motor Hotel and Restaurant is the South Bay-Harbor area's newest night spot, located at 2450 Pacific Coast Highway, near Crenshaw.

The group is Bill Norvas and the Upstarts, a song and dance troupe termed by Weekly Variety one of the "brightest, swiftest acts in show business."

There are six performers in the new Upstarts which have been together since last June. Newest addition are the lovely Livingston Twins, Cyd, and Cheri.

Norvas has had six groups of Upstarts over the past several years. He has played at the Tropicana, Stardust, Sands, and Desert Inn in Las Vegas; the Copacabana in New York; Palmer House in Chicago and many others throughout the country.

Featuring a song and dance act spiked with a rapid-fire comedy routine, the Upstarts will go on nightly, except Tuesday, at 9 p.m.,
